***"Research And Innovation: Procedure for Research Paper Publication, Patent Filings, and Entrepreneurship Development"***

**Event Overview:**

The online workshop on "Research And Innovation" was organized by Abhinav Education Society Institute of Management & Research, Narhe Pune, conducted over two days on June 9th and 10th, 2023. It aimed to elucidate the intricate processes involved in research paper publication, patent filings, and entrepreneurship development, catering to the needs of the academic and entrepreneurial community.

**Participants:**

A total of 266 participants, including researchers, academicians, and aspiring entrepreneurs, attended the online workshop. The diverse audience facilitated multifaceted discussions and knowledge exchange throughout the event, despite the virtual setting.

**Key Topics Covered:**

1. Research Paper Publication Procedures: Esteemed guest speakers Dr. Rajkumar Patil and Dr. Dhirajkumar Lal provided insights into preparing and publishing research papers, navigating peer-review processes, and selecting appropriate journals.
2. Patent Filing Processes: Participants gained understanding about intellectual property rights, patent filing procedures, and strategies for protecting innovative ideas and inventions.
3. Entrepreneurship Development: The workshop explored avenues for translating research outcomes into entrepreneurial ventures, discussing funding opportunities, business model development, and navigating the startup ecosystem.

**Guest Speaker Contribution:**

Dr. Rajkumar Patil and Dr. Dhirajkumar Lal shared their expertise and experiences, enriching the online workshop with practical insights and real-world examples in research, innovation, and entrepreneurship.

**Interactive Sessions and Networking:**

Despite being conducted online, interactive sessions and panel discussions facilitated participant engagement, allowing for in-depth queries and discussions. Networking opportunities were provided virtually, enabling participants to forge valuable connections, fostering potential collaborations and partnerships.

**Conclusion:**

The online workshop on "Research And Innovation" provided a comprehensive platform for participants to enhance their understanding of research processes, intellectual property rights, and entrepreneurship development. Through informative sessions and interactions with experts, attendees gained valuable insights and resources to advance their academic and entrepreneurial endeavors in the virtual environment.
